

Not Just a Game

Jacqui Fashimpaur, Jake Olkin,
Tom Wildenhain

Just as you put a cork on the last vial of pandemic cure, shortly after preventing an asteroid impact, you detect a hint of sulfur in the air. You peer out the window of your lab. Uh oh, you are going to need to move quickly...

Please use the chat page to schedule a time for your daring escape, then continue to **WEH 5302**.
