Upon visiting each of the pictured locations, you'll discover that one line of text has been sneakily edited out of each image! The missing line of text is an anagram of the Recovered Data for that image, plus one letter. Take the added letters and anagram once more to get the final answer, **BIAS**.

Shore Moss Carol + **S** = Osher Classrooms

Crazy Lop On Bolt + **A** = Artz Pool Balcony

Brave Hall Boa + **I** = Behavioral Lab

Electrocuting Nominal Coma + **B** = Global Communication Center
