The years clue Olympic host cities (bolded in the below grid). The starred clues have answers of the form [color]+[word] but only clue [word] with a homophone ("Rights, maybe?" → "Writes, maybe" → PRINTS → BLUEPRINTS). The colors are those of the Olympic rings. Submitting RINGS tells the solver to "Keep going!" Clued by the homophones in the starred clues, the solver then submits WRINGS, a homophone of RINGS, to get the correct answer.
